GRACE

Undeserved, unmerited,
unforced favor gained by Christ's death
and resurrection; allowing God
to be completely, unequivocally and
eternally **for** us.

It is an environment and a way of life
in which we no longer strive for acceptance,
but trust His new nature **in** us and His love,
provisions and promises toward us.

I may believe the saving truth of justification without believing that God truly and fully can delight in me.

GRACE
SERIES

God takes the result of the Fall and employs the very elements of the destruction we caused and flips it on its head-to give us life, love and hope. ...The very tribulations we set in motion God reshapes into what will make our lives worth living!

**Suffering produces endurance.
Endurance produces character.**
